

Aurora[★]

An abstract graphic composed of numerous thin, white, curved lines that create a sense of depth and movement. The lines are arranged in a way that suggests a grid or a series of overlapping planes, with some lines curving more sharply than others. The overall effect is a dynamic, flowing pattern that fills the upper and middle portions of the page.

enFrame Frameworks

The Benefits of Choosing enFrame As Your Frameworks Partner

Our Partnership With enFrame

Aurora is forming a new partnership with enFrame. enFrame is a company in the educational sector, providing frameworks to allow suppliers to avoid lengthy tender processes. They have over 30 years of experience within procurement, assisting public sector businesses and establishments.

Making public sector procurement easy, efficient and effective is at the heart of enFrame. Designed to help organisations with their tendering processes, enFrame Frameworks save time and money.

enFrame Are Experienced

enFrame has vast knowledge in assisting public sector establishments with their procurement. Our expert team has industry knowledge scaling over 30 years. enFrame has helped a great number of establishments with tendering processes, saving them time and money.

enFrame Are Simple

With easy to use frameworks, enFrame ensures there is no unnecessary complexity with your tendering process. Not only this, but they use innovative cloud-based softwares and easy-reading frameworks to make procurement accessible and easy. Simple, right?

enFrame Are Passionate

As a member of the CiC, two thirds of enFrame's profits are dispensed for the good of the community. They are committed to helping fight climate change, and to enhancing the lives of young people. enFrame's Social Value exercises commitment to these causes, linking procurement to beneficiaries to help for good.

enFrame are committed to delivering a brighter future, both within public sectors and for humanity. They are ready to help public sectors save money, save time and help fight climate change - committed to every school being Net Zero by 2035.

Their approachable, friendly and value-filled services will help you with tendering, whilst also committing to making the world a better place.

If you require help with your procurement, you can contact enFrame at 01733 972600.
